LF informed the meeting that the Clerk and RFO (GC) would need to know what was applied for in all these applications as double claiming from funders cannot occur and therefore it will be necessary to know which money is being spent on what item, and this will also be necessary for any follow up monitoring by funders, DB agreed to arrange for copies to be sent to LF

- i) It was agreed to hold a Gala in 2022, and that HSSC should be approached for available dates over the summer, the Jubilee weekend was discounted for the following reasons, many people are making their own arrangements for street parties, and the chances of acquiring the marquee, rides etc are going to be demised and the costs are likely to be greater over this period

DB

The committee wanted to support the parish in celebrating the Queens Jubilee and to the end **Recommended** that; an amount of money be set aside for resident to apply for funding towards their street celebration and that a large quantity of bunting be purchased which can also be applied for by resident hold street parties etc.
